

O The Presbyterian OUTLOOK *publishing fellowship*

For more than 200 years the *Presbyterian Outlook* has been surrounded by a great cloud of witnesses — churches, individuals, and groups who have partnered with us in mission and ministry and supported us through financial contributions. In the following pages, we acknowledge those who contributed to the *Presbyterian Outlook* during our 2021 fiscal year, ending on October 31, 2021. Those of us who pulled this issue together have prayed through these names and given God thanks for each one. It is an honor and a privilege to serve Christ's church through the *Presbyterian Outlook*, but we couldn't continue without the support of these generous saints. **We are so grateful.**
